To City of Milwaukee

On Dec. 13th At the OKLAHOMA Library
Coming out walking I fell.
I knew it had to be a Bad Side walk
due that the Fall was Bad and my
Toe nail went forward my left knee
Pop so so Bad i thought i broke it Im
Waiting for my result MRI WAS put half
Cast till i see an Orthopedic Surgeon for
my right hand which this is what i right
do everything i have 2 children and it
has taken a toll the Pain in and out of
Hospital Pain is Very Bad in my leg + knee
Im really Surprise that no one from
the library nor the city have contact me
nor I feel they are concern of my Serious
Injuries. Feeling unuse have to
Bed 2-3 weeks. Cant sleep due to hand
knee + shoulder Pain.

All I was thinking was if that elderly
Person that was 1 step from me would of
Been in front of me? God it hurts to be
home not able to be out long be taking
out Anger on my heels due to pain its not fair

TO City of Milwaukee

My name is Cruz Maria Martinez

I Resided at 2016 S. 8th Street Milwaukee WI 53204. On Dec 13th At Around 4:30 - 4:45 pm me spouse child and his court officer were coming out of Library walking I suddenly felt a bump hard my sneakers fell so hard forward my impact was so bad on my left knee I didn't want no one to touch me. my son dial 911 but my spouse said van is close to her St Lukes is here near by the time someone comes she will freeze I WAS TAKEN TO ST Lukes. given Pain medication X-Rays Ct Scan.

The knee show bad contusion until I see my doctor to get to an ortho surgery I had an MRI done which something show the pain is so bad can't sleep even my hips shoulders everything, took X-Rays right hand show a fracture was put half cast until I saw an orthopedic my regular DR. got me all information and this week ortho surgery will see me to see what can be done to the knee

On Dec 13th my life change
had Plans to visit my grand MAMM
on Dec 15th had to Cancel.

my children X-mas were SAD their new year
were upset all i had to do is lay in
Bed. the Pain has been getting bad that
my children are SAD upset Seeing me
getting depress each day that PASS by.
the Knee is in so much Pain no sleep
at all no matter the medication I'm
depress Angry At things i can't do
With my children. We don't have no Family
here only my Spouse 80 year old man
She lives 15 min from us.

my daughter graduated which i told
her please I ignored my Pain keep on with
your work to become someone in life
my son has a ADHD And Since my
accident has gotten WORST.

they hate Seeing me in Pain.

the Side WALK WAS not level one
Side WAS higher then the other
the Librarian manager was Very nice
took Report gave us her Card But
Never Called to see how i was.

1/13/2011

But MR Spencer which he is a Probation officer was behind us and saw what happen.

We went the next day spoke to manager she saw my arm which was half hand cast my face was swollen due to when I fell my face hit to

she walked outside with me + spouse did show us on how they have been

trying to get to fix all sidewalks

But many still have not gotten to it

she was honest and gave us her card

she wrote a report this was Dec 13th

2010 - till this date no one has called me nor ask how I'm

This pain has been so bad it took a great

tool on everyone especially my kids

all I ask to someone to help me with

my case my knee will never be the same

trying to find a lawyer her has prove difficult to do to the city.

if these sidewalk were fix library are use

by many 1 elderly gentelman was in back

of me I went in front I thought if this

was him he would not made it

IV

My Pain and Suffering has been a challenge
in this House Kids no longer want to go to
my Room to see me Suffer.

It hurts so much out of 24 Hours

I'm like 21 in Bed.

But try more i need to care for their
Food needs

Please i ASK Someone to Contact
me about what is going to happen

BLANK DIAGNOSIS FORM

Diagnosis: Left knee contusion, left great toe nail injury, possible fracture of right distal radius

Home care explained: Ice and elevate knee and wrist. Take Ibuprofen every 6 hours. Trim toe nail. Bear weight as tolerated on left leg.

Follow up: See your doctor in the next week to recheck wrist and knee. If knee is not improving and not able to bear weight see your doctor or orthopedics sooner.

Return for: severe swelling, worsening pain, or any other concerns or worse in any way.
