This letter is to inform you that such a licensure would not be in violation of his rules/conditions of supervision. If circumstances change, we will take whatever action we deem appropriate, including action which may affect such licensure. This decision was made based in part, on the following information:

A - Residence Stability: offender has maintained residence stability (yes)

B - Reporting History: offender has maintained required contacts with agent (yes)

C - Police Contact: offender has had police contact while on supervision (yes)

D - Overall level of cooperation: has offender complied with referrals and services designed to address criminogenic needs (yes)

****** DCC recommends license not be granted due the following :(check one)**

- * License/employment has a direct nexus to committing offense. _____
- * License/employment would have a negative impact on the offender based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs) _____
- * Sex offenses. _____
