Poshepny stated he observed these subjects enter the tavern and start to physically fight these patrons who were seated in the beer garden. Poshepny stated he asked these subjects to leave and they refused. Poshepny further stated that one of these subjects displayed a knife and caused damage to the front of tavern. Re: Notice of Mandatory Retail Establishment Security Measures

Dear Mark R. PASCHAL:

This letter serves as notice to you that Jeffrey B. Norman, Chief of Police, by his designee, District Two Commander, Captain Patrick Pajot, has determined that three (3) or more separate incidents of qualified activity have occurred at Bay Street Pub, a retail establishment located at 338 E Bay St Milwaukee, WI, within a one-year time period. As the premises owner or other responsible party, you are required to install a security camera system and comply with all regulations set forth in Milwaukee Code of Ordinances § 105-91.

The qualified activities that have occurred at the premises include:

1. On Saturday, September 30, 2023, at 2:51 am, Milwaukee police offices were dispatched to the premises to investigate a report of a "Subject with Gun". The investigation revealed that a patron had been in the bar after close with an employee, an acquaintance of the employee arrived on scene and allegedly threatened the patron with a firearm, and the suspect then concealed himself inside of the premises and was taken into custody. A firearm and a quantity of a suspected controlled substance were later recovered. MPD IR #232730027.
2. On Sunday, September 17, 2023, at 2:02 am, Milwaukee police offices were dispatched to the premises to investigate a report of a "Shooting". The investigation revealed that a fight had occurred between patrons inside of the premises that continued outside of the premises. An unknown subject then discharged a firearm, striking a patron. The cameras for the premises were not functional. The investigation remains open. MPD IR #232600014.
3. On Saturday, August 5, 2023, at 2:43 am, Milwaukee police officers were dispatched to the premises to investigate a report of a "Subject with a Gun" where an anonymous caller stated that they were driving past and observed 2 males outside of the location with one of the males striking the other in the head with a firearm. Officers arrived on-scene and spoke with the bartender, who had not called. The bartender stated that there had been females fighting outside but that they had not observed any weapons and did not know the subjects. Officers were unable to locate any injured parties or anyone requiring

police services. MPD IR #232620027.

The regulations of Milwaukee Code of Ordinances § 105-91 require you to install, maintain in proper working order, and operate during all hours the establishment is open to customers, security cameras that provide clear images of the entire premises, including areas as specified on the license as well as the public right-of-way abutting the premises and any off-street parking lot used expressly for patron parking. In addition, at least one security camera shall provide an overall view of each counter and register area, and at least one security camera shall be positioned to provide a clear, identifiable, full-frame image of the face of each person entering and leaving the retail establishment. Security camera views shall not be obstructed by fixtures or displays. If a time-lapse digital video recorder is operated, images shall not be recorded at a slower speed than 24 hours. All digital video records shall be stored and maintained in good viewing order for 30 days after recording. On-duty store employees shall provide a copy of recorded digital images to law enforcement officers immediately upon request. The surveillance security cameras shall be maintained in proper working order for a period of 2 years from the date of this notice.

You must install a security camera system within sixty (60) days of receiving this notice. Any premises owner who violates any of the provisions of § 105-91 shall, upon conviction, forfeit not less than \$500 nor more than \$1,000, and in default of payment thereof, be imprisoned as provided by law.

All installation work must be completed by a licensed electrical contractor. In accordance with Milwaukee Code of Ordinances § 200-24, permits are required except when the installation of wiring or equipment operates at less than 100 volts, unless any such installation is located in a plenum or it penetrates fire-rated or smoke-protected construction. Permit information may be found by calling (414) 286-2532.

Please be advised that you may appeal the determination of the Chief of Police to the Administrative Review Appeals Board as provided in Milwaukee Code of Ordinances § 320-11. The Board may extend installation beyond sixty (60) days in the case of a financial hardship.

Thank you,

Re: Notice of Acceptance of Proposed Course of Action

Dear Mark R. PASCHAL:

This letter is notice to you that the Milwaukee Chief of Police, by the chief's designee, the district commander, has received, reviewed, and accepted your proposed course of action for abatement of nuisance activities occurring at the premises located at 338 E Bay St ("the premises"), pursuant to Milwaukee Code of Ordinances ("MCO") § 80-10, Chronic Nuisance Premises.

Be advised that you now have 45 days from the date of this notice of acceptance to implement the course of action. The premises will be monitored during the implementation period and if you follow through and properly implement the course of action, no further action will be taken; except that if nuisance activities persist thereafter, you may be asked to modify and re-submit your course of action for review, and acceptance or rejection.

If you fail to properly implement the accepted course of action within 45 days, and a subsequent nuisance activity occurs at the premises, you will be subject to a collections action for the cost of any police services and enforcement.

Once you have been billed for the costs of enforcement for three or more separate nuisance activities within one year, the premises may be designated a chronic nuisance, pursuant to MCO § 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact P.O. Matthew DIENER or P.O. Kevin VODICKA at (414) 935-7763 with any questions.
