To the Honorable Committee on  
Zoning, Neighborhoods & Development

Dear Committee Members:

On April 7, 2004, the Zoning Code Technical Committee held a hearing on File Number 031613 (Substitute 1), an ordinance relating to zoning regulations for day care centers. The legislation would establish a 1,000-foot spacing requirement for day care centers.

The committee reviewed the proposed ordinance for legality, enforceability, administrative efficiency and consistency with the zoning code. The committee recommended that this file be held pending preparation of a City Attorney's opinion relating to the legality of spacing requirements in general as well as spacing requirements for certain specific establishments, including day care centers.

Sincerely,

Teodros W. Medhin, Ph.D., Chair  
Zoning Code Technical Committee
