Client Sam Curro is currently on probation term that is scheduled to discharge on 06-23-26 for the offense of Posts of Publishes Depiction of Person w/out Consent and Bail Jumping Felony.

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

- A - Residence Stability: Client has maintained residence stability Yes.
- B - Reporting History: Client has maintained required contacts with agent Yes.
- C - Police Contact: Client has had police contact while on supervision No.
- D - Overall level of cooperation: has client complied with referrals and services designed to address criminogenic needs Yes.

\*\*\*\* DCC recommends license not be granted due the following: (check one)

- \*  License/employment has a direct nexus to committing offense...
- \*  License/employment would have a negative impact on the client based on specific treatment needs.  
(HIPPA prohibits the disclosure of specific treatment needs)
- \*  Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,
