PETITION

TO EXPAND THE MENOMONEE VALLEY BUSINESS IMPROVEMENT DISTRICT (CITY OF MILWAUKEE BID #26)

Petition Summary & Background	Under Wisconsin law (Wis. Stat. s66.1109), Business Improvement Districts (BIDs) may annex parcels that are contiguous to the district that were not included in the original boundaries of the district. Property owners can petition the City to be included in an existing BID. The BID provides a mechanism for those property owners to levy an annual assessment for programs and services that serve their needs, including public safety improvements, economic development of the area, beautification, workforce programming, and other services desired by the property owners.
Action Petitioned For:	We, the undersigned business owners and property owners located within the proposed expansion boundary consent to and request to be included in the proposed Menomonee Valley Business Improvement District expansion.
