Subject: Bay View Property Development

Alderman Zielinski:

In response to your letter of August 25, 2017 regarding development of the vacant land between South Logan Avenue, East Lincoln Avenue, East Conway Street and South Bay Street, we encourage you to support its use as parkland. We believe population density is becoming an issue in Bay View.

We have lived on S. Williams Street for 44 years and have observed an abundance of multifamily housing being constructed throughout the area. Although we are grateful for the revitalization it brings to Bay View, we are now at a point where we believe some green space must be preserved.

Anything you can do to ensure the parcel's future use as parkland would be appreciated.
