May 17th, 2005

Department of City Development Planning Admin.
809 N. Broadway
2nd Floor
P.O. Box 324
Milwaukee, WI 53201

The Pastor and Board of Directors are preparing to build a Church Complex which will include a 2500 seat sanctuary and a multi-purpose building connected to the Church.

The second building will include our Word of Hope Family Resource and Family Technology Resource Centers along with a Dining room-kitchen, Chapel and Wrap-around offices for community outreach services. These services include Job Placement and Training, Social Services, Health Care, ATODA Support Group and Mentoring for adults and juveniles. The attachment also provides more detail on both buildings.

Pursuant to section 295 through 815, we will provide for the following:

- Sufficient Parking
- Set-backs
- Landscaping
- Building Topography
- Storm water retention

As we continue to move forward on our building project, we will work cooperatively with the city to bring this project to fruition. Upon completing the building of our church complex, we will use an additional two acres for parking.

Please let us know if there is any additional information that you will need from us.

Sincerely,

Pastor C.H. McClelland

Submit completed application and check to: Department of City Development
Planning Administration
809 N. Broadway, 2nd Floor
PO Box 324
Milwaukee, WI 53201
Telephone: (414) 286-5716 01/00

Detailed Plan Development Submittal Checklist

The following items must be submitted to the City Plan Commission as part of an application for approval of a detailed plan development.

- A "Detailed Plan Project Description and Owners Statement of Intent" containing a written description of the overall development concept and a statement as to how the plan provides for or complies with each of the district standards enumerated under s. 295-812 where applicable. This statement shall also make reference to the plans or exhibits included in the plan and include a statistical sheet indicating the following in square feet, acres and percentage of the total tract where applicable:
 1. Gross land area.
 2. Land covered by principal buildings.
 3. Land devoted to parking, drives and parking structures.
 4. Land devoted to landscaped open space.
 5. Proposed dwelling unit density if residential and/or total square footage devoted to non-residential uses.
 6. Proposed number of buildings.
 7. Dwelling units per building.
 8. Bedrooms per unit.
 9. Parking spaces provided, whether surface or in structures, and ratio per unit if residential, or per thousand square feet of building area if non-residential.
- A vicinity map showing the boundaries of the tract included in the general plan, the territory within 1,000 feet of the tract, its proposed access and significant community facilities in the surrounding area.
- A plat of survey showing the exterior boundaries, a legal description and the area of the proposed detailed plan tract. Existing buildings, trees of 5 inches in diameter at 4 feet in height, tree grouping and site features are also to be shown with an indication of whether they are to be retained, removed or altered.
- A site plan showing the general location of proposed structures and a description of their intended use and approximate height, open spaces, community facilities, if any, setbacks and buffers adjacent to the boundaries of the tract and from existing or proposed public rights-of-way, pedestrian and vehicular circulation systems and parking and garages, loading facilities, the location, type and size of all proposed signs, including sale, lease or construction signs, refuse collection facilities and tract lighting facilities.
- A site grading plan indicating existing and proposed topography at 2-foot contour intervals and showing how positive runoff of surface waters will be achieved and the means by which ultimate disposal of the development's surface waters will be accomplished without creating adverse conditions on adjoining properties.
- A utility plan showing the proposed location of storm and sanitary sewers, water mains and laterals, parking and roadway storm inlets and elevations.
- A landscape plan showing the location, number, size and type of all landscape and screening elements. Plant material shall be of a quality consistent with the standards of the American Association of Nurserymen (ANSI 260.1). All planted material shall be maintained on a continuous basis, including tree and plant replacement.

- Elevations of each side of the exterior of any new building and/or structure being proposed. If the project is h. Elevations of each side of the exterior of any new building and/or structure being proposed. If the project is a rehabilitation of/ or addition to an existing building, please provide existing elevations and indicate any modifications to the exterior.
- Pictures of the site and surrounding context. This can be submitted as photographs, printed scanned images or in a digital format but cannot exceed 8.5 x 11.
- **13 sets of collated plans and written narrative- 11" x 17" in size** must be submitted to Planning Administration at least 2 weeks and 1 day prior to the scheduled City Plan Commission meeting.
- **2 sets of plans- oversize (i.e. 24" x 36")** must be submitted to Planning Administration at least 2 weeks and 1 day prior to the scheduled City Plan Commission meeting.

10. See enclosed Vicinity Map
11. Plat of Survey included – No existing buildings or trees on the Site.
 - SITE PLAN: See Site Plan, Floor Plans, & Elevations included on 24"x36" size sheets.
 - SITE GRADING PLAN – Not required at this General Development Stage.
 - UTILITY PLAN – Not required at this General Development Stage.
 - LANDSCAPE PLAN – Detailed Landscape plan to be provided at final plan submittal.
 - ELEVATIONS – See Elevation drawings on the 24"x36" size drawings.
 - PICTURES OF THE SITE: See enclosed site pictures on 8-1/2x11 size sheets.

CERTIFIED SURVEY MAP NO. _____

Part of the Southwest 1/4 and Southeast 1/4 of the Northwest 1/4 of Section 27, Town 8 North, Range 21 East, in the City of Milwaukee, Milwaukee County, Wisconsin.

SURVEYOR'S CERTIFICATE

STATE OF WISCONSIN }
 :SS
WAUKESHA COUNTY }

I, STEPHAN G. SOUTHWELL, Registered Land Surveyor, do hereby certify:

THAT I have surveyed, divided and mapped part of the Southwest 1/4 and Southeast 1/4 of the Northwest 1/4 of Section 27, Town 8 North, Range 21 East, in the City of Milwaukee, Milwaukee County, Wisconsin, which is bounded and described as follows:

COMMENCING at the Southwest corner of said 1/4 Section; thence North 00°22'08" West along the West line of said 1/4 Section 796.20 feet to a point in the extension of the centerline of West Douglas Avenue; thence North 89°27'04" East along said centerline and its extension 1055.40 feet to the point of beginning of the lands to be described; thence continuing North 89°27'04" East 1620.73 feet to a point in the East line of said 1/4 Section; thence South 00°41'34" East along said East line 752.24 feet to a point in the North line of West Florist Avenue; thence South 89°28'24" West along said North line 1624.99 feet to a point in the East line of North 73rd Street; thence North 00°22'08" West along said East line 751.61 feet to the point of beginning.

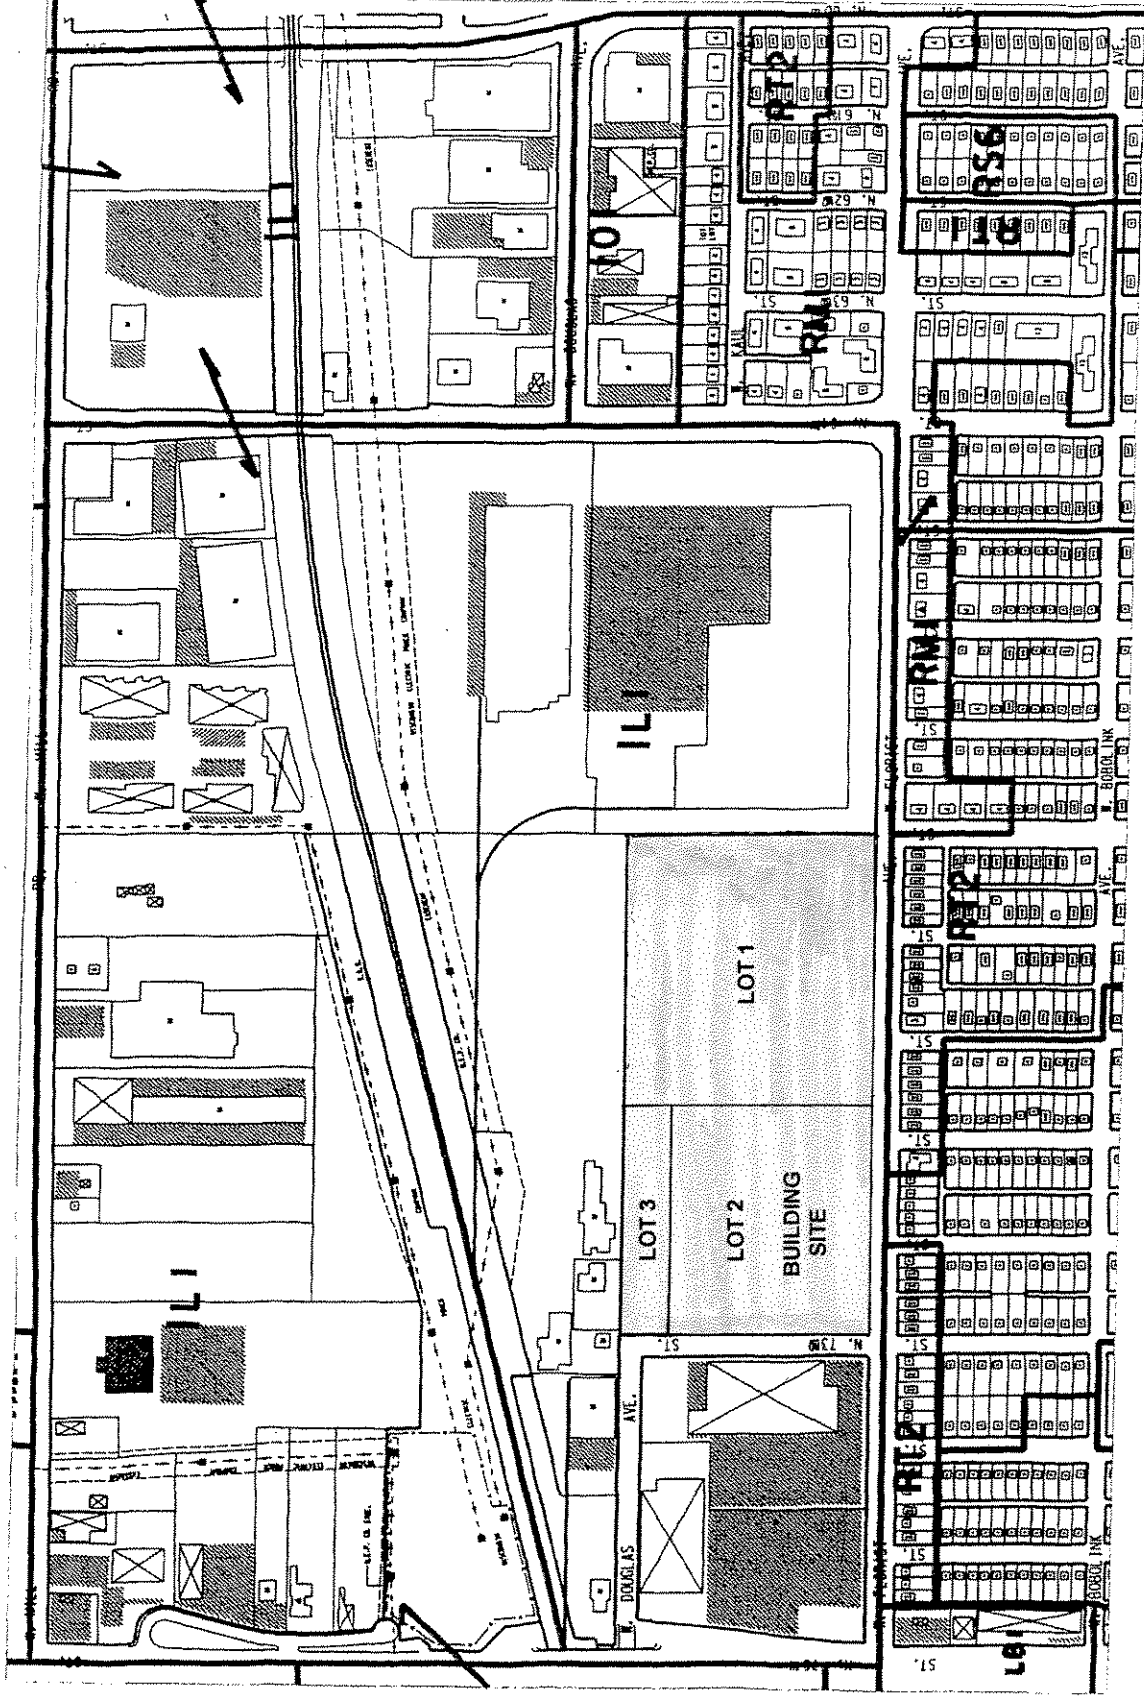

THAT I have made the survey, land division and map by the direction of HOLY CATHEDRAL CHURCH OF GOD IN CHRIST, INC., as owner.

THAT the map is a correct representation of all the exterior boundaries of the land surveyed and the land division thereof made.

THAT I have fully complied with Chapter 236 of the Wisconsin Statutes and Chapter 119 of the Milwaukee Code in surveying, dividing and mapping the same.
