Demitra Copoulos is a multi-disciplinary artist working primarily with 3 dimensional forms.

She has shown nationally over the past 20 years in, New York, Miami, Greensburg NC, San Francisco, Chicago, Memphis, Los Angeles and locally at the Portrait Society and the Museum of Wisconsin Art. Her works include, large-scale kinetic pieces, installations and publicly placed commissioned works.

Her works have been reviewed in numerous publications such as Sculpture magazine and New Art Examiner

In 2015, Demitra received a grant from the Milwaukee Arts Board for her project called "Temporary Resurfacing", a multi-video and projection event. It was held between 9th and 11th streets along West Historic Mitchell. Over 500 hundred people attended to view 30 international video artist, that she brought together for the event.

She also lives works and owns property along Mitchell street and has been active in the community as well as serving on the BID #4 Board.

Her community based creative processes and ideas have been to work with the business community and local artists to help revitalize West Historic Mitchell Street and the surrounding neighborhood by establishing an artist live/work community.

She has earned a BFA from the University of Milwaukee.
She is currently a part time registrar assistant at the Milwaukee Art Museum.
