My mistake, that should read, "A substitute ordinance establishing a pedestrian mall to be known as "South 24th Street Rogers Street Academy Pedestrian Mall" in South 24th Street from West Legion Rogers Street to the east-west alley bounded by South 23rd Street, South 24th Street, West Rogers Street and West Burnham Street, in the 8th Aldermanic District."

Regarding the title, it should be "Rogers Street Academy Pedestrian Mall", as it is named after the school adjacent to it.

My apologies for the errors.

Regards,

Mr. Washington,

Earlier this month, you submitted an ordinance to our department, which we reviewed for formatting. The librarian noted a discrepancy in the description in the title vs. the text of the ordinance. Specifically, the title mentions West

Legion Street and there is no mention of Legion in the ordinance. Also, the title of the file calls the area "South 24<sup>th</sup> Street Pedestrian Mall," whereas the ordinance title is "Rogers Street Academy Pedestrian Mall." Can you please clarify which is correct?

Cordially,
