RE: C.I. File No. 1032-2015-2931

To whom it may concern,

I have received an email (by request) from the city attorney's office denying my property damage claim and I wish to appeal this decision. Even though the Milwaukee Police Department lawfully obtained a search warrant, it was simply unnecessary to force entry into the building. After the search was conducted, the police did not prove that there was evidence that there were illegal activities taking place in the building. Furthermore, there are less aggressive methods that the police could have used to accomplish the same goal.

Sincerely,

Chung Leung
