NOTICE OF PUBLIC HEARING

**CITY OF MILWAUKEE - City Plan Commission
809 North Broadway
Milwaukee, Wisconsin**

May 4, 2022

PLEASE NOTE: A zoning change is being considered for the property within the boundary shown on the map on the reverse side of this notice. If your property is not within the zoning boundary, then you are receiving this notice because your property address is within 200 feet.

DEAR PERSON OF INTEREST:

The City Plan Commission will hold a public hearing regarding a proposal for a speculative industrial building to be developed on a portion of 643 and 841 West Canal Street, and 131 South 7th Street. To facilitate this, the City Plan Commission will consider File No. 211866, the 2nd Amendment to the Detailed Planned Development (DPD) known as Valley Power Plant and the change in zoning from DPD to Industrial Light (IL2) for the property located at 841 West Canal Street, and File Nos. 220031 and 220063 relating to the East End Menomonee Valley Development Incentive Zone (DIZ) overlay for the land located on the South Side of West Canal Street, west of South 6th Street, in the 12th Aldermanic District.

This zoning change was requested by Westminster Realty Partners V LP. The property located at 841 West Canal Street will be rezoned to IL2 to facilitate the development of an 180,470 square foot speculative industrial building on the subject site as well as part of 643 West Canal Street and part of 131 South 7th Street. The development site is located within the East End Menomonee Valley Development Incentive Zone (DIZ) overlay, and the City Plan Commission will also review the details of the proposal, including design standards and sustainability guidelines, to ensure compliance with the overlay at this meeting. The applicant is requesting to deviate from one of the overlay standards relating to the front setback. The overlay states that the front (Canal Street) setback of the building should not exceed 10'. The proposed setback is 39' – 4" to allow space for landscaping and increased pedestrian safety between the street and the building. **Please refer to the reverse side of this notice for map details.**

Date: Monday, May 16, 2022
Time: 1:30 p.m. (Public Hearing scheduled for 1:50 p.m.)
