INSTALL ALL-WAY STOP ON  
WEST MELVINA STREET AND  
NORTH 68<sup>TH</sup> STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.

REMOVE YIELD SIGNS ON SOUTH 85<sup>TH</sup> STREET  
AT WEST WARNIMONT AVENUE

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southeast corners of the intersection in the form of a pine tree and a hedge that warrant the need to change the present yield control to a stop control.

We therefore, in the interest of public safety, recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,
