5. DESCRIPTION OF PROJECT:

Describe all existing features that will be affected by proposed work. Please specify the condition of materials, design, and dimensions of each feature (additional pages may be attached)

Working with the the staff on the commission I think we have obtained a exceptionable facade that matches the neighborhood and allows the new project to go forward. There may be some minor proportional issues as the final construction details workout, but I'm sure that those can be worked out to keep the addition within the realms of the desired scheme.

The materials will be primarily brick with details as noted on the drawings.
