To The Honorable
The Common Council
City of Milwaukee

Dear Council Members:

The Port of Milwaukee, as part of its railroad rehabilitation program, is applying for a Wisconsin DOT grant to rehab approximately 8,000 lineal feet of track in the Port area at a cost of approximately \$1,800,000. The grant would pay 80% of the cost (\$1,440,000) with the remaining 20% (\$360,000) coming from the Port's capital account. The granting agency would like the resolution submitted as part of the application.

The Port of Milwaukee respectfully requests that the Council adopt the attached resolution authorizing the grant application and acceptance. Thank you for your consideration of this matter.

Sincerely,

Lawrence E. Sullivan
Harbor Engineer
