

Reply to Common Council File No. 010925

From DOA-Budget and Management Division

November 19, 2001

Ref: 01011

Common Council File 010925 is a substitute ordinance relating to the rate schedule for employee automobile mileage reimbursement. The new mileage rates would be applied to those employees represented by the Technicians, Engineers, and Architects of Milwaukee (TEAM) who drive more than 501 miles a month.

The recently settled TEAM contract included a provision that eliminated the separate reimbursement category for employees who drive more than 601 miles a month; they will now receive the same amounts as those employees driving 501 miles or more each month. The flat reimbursement amount will stay at \$170.59 and the additional rate per mile will increase from 30.1 cents to 32.5 cents.

Adopting this substitute ordinance will have no fiscal impact beyond that already approved as part Common Council File 000992, the 2001-2002 final labor agreement with TEAM.

**RECOMMENDATION: APPROVE COMMON COUNCIL FILE 010925
WHICH CHANGES THE EMPLOYEE AUTOMOBILE MILEAGE
REIMBURSEMENT FOR EMPLOYEES REPRESENTED BY TEAM.**
