To the Honorable, the Common Council

Subject: 2005 Capital Improvements Program  
Infrastructure Services Division  
Federal/State Aid Project  
West Wisconsin Avenue from  
North 89<sup>th</sup> Street to North 95<sup>th</sup> Street

Dear Council Members:

The 2005 Capital Improvement Program includes the improvement of West Wisconsin Avenue from North 89<sup>th</sup> Street to North 95<sup>th</sup> Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

Eighty percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, \$9,879.99, will be provided through existing traffic Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute an Agreed Unit Prices contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Wisconsin Avenue from North 89<sup>th</sup> Street to North 95<sup>th</sup> Street in the 10<sup>th</sup> Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
