TEXT OF AMENDMENT

Mr. President:

With respect to Common Council File Number 180531, I move to take this file from committee and consider it at this time before the Common Council. I further move to substitute the file with Proposed Substitute A, herewith attached, in lieu of the original. Furthermore, I move adoption of the file, as substituted.

---

Background:

The Certified Survey Map first submitted for review to the Department of City Development included an alley dedication. CSMs with public way dedications are brought before committee. As the review progressed, staff and the applicant determined it would be best for the alley dedication to move forward as a separate file. The file no longer contains an alley dedication and does not require referral and review by City Plan Commission and the Zoning, Neighborhoods and Development Committee. The Proposed Substitute resolution removes the language regarding the alley dedication.
