

SHANNON METOXEN, LEED® AP & CHC

SENIOR PROJECT MANAGER

Shannon Metoxen, born and raised in Milwaukee, is a senior project manager with JP Cullen with over 20 years of construction experience. Shannon has managed over 20 projects with diversity goals, including RPP goals, working with our our teams to develop implementation plans for exceeding those goals. Shannon's passion has always been to help grow the future leaders of the industry one step at a time. He consistently pushes those individuals to get involved early, ask questions, and not be afraid to stumble.
