Subject: Photos for Banderas hearing on 7/21

Ms. Melendez,

I spoke with you on the phone recently and mentioned that I would be submitting photos for the upcoming Banderas Public Hearing on Tuesday, July 21, 2026, at 1:35 PM.

First, let me thank you for your extraordinary kindness and the helpful information you shared during our conversation; I am truly grateful for your time and assistance.

I am not in favor of the license being renewed and because the three-minute time limit is quite brief, I have had to significantly reduce the number of photos I am submitting. While I may not be able to address every image during my testimony, I plan to focus on the intoxication of individuals occurring in front of our building and the safety issues concerning the tables.

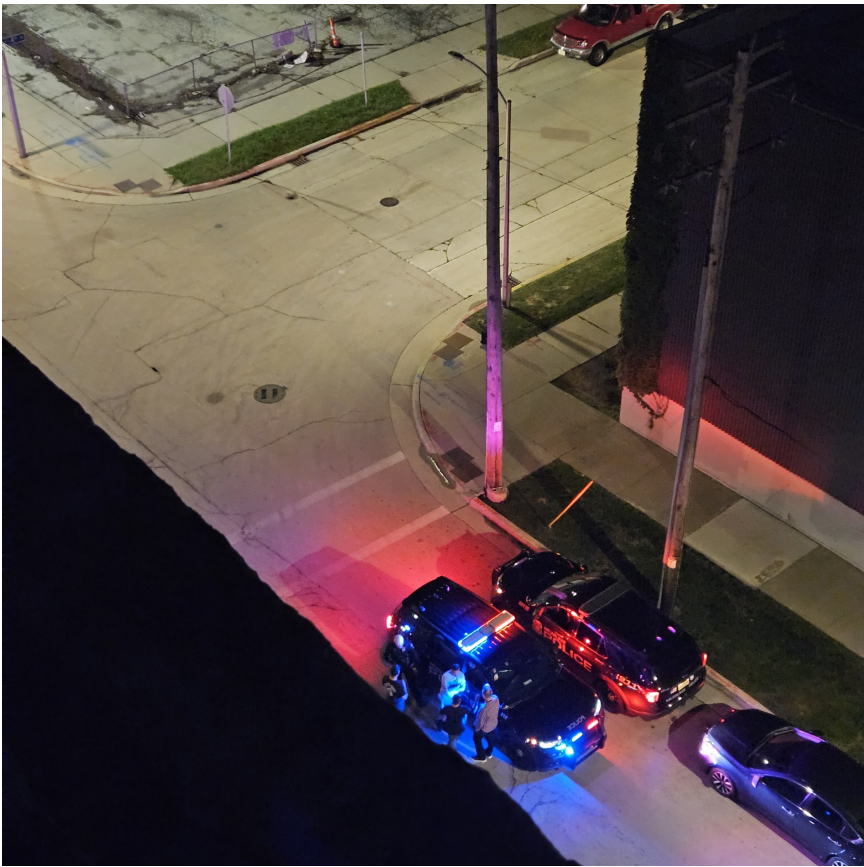

I have included the photos directly within this email to ensure you can easily access them, as their various sizes and resolutions made them difficult to attach.

Please do not hesitate to get in touch with me if you have any questions.

My sincere thanks for your assistance.
