Subject: Written objection to 634 W. North Ave
Importance: High

To Whom It may concern,

My name is _____ and this serves as our written objection to the new license application filed for A Vybe located at 634 W. North Ave. I own the historic building 642 W. North Ave, directly next to A Vybe.

We have no objection to the applicant attempting to make a living and/or provide a service. However, I and my long term tenants, Wisconsin Community Services have strong objections due to our past encounters of illegal parking, public urination, drugs and drug paraphernalia that seems to spill over to our property, as well as the fights and shots fired after altercations at the location.

Please let us know that this email was received and what the next steps in this process are.

Respectfully,

-Tim

Investigation revealed there had been a fight inside the bar and all the involved parties were pushed outside. A gunfight ensued, during which several rounds were fired into the air and two subjects chased each other while firing weapons. One round struck a vehicle. 6. On 03/17/18 at 3:15 am, Milwaukee Police were investigating a shooting at N. 6th Street and W. North Avenue when an officer observed blood and multiple bullet casings on the stairs outside 634 W. North Avenue (Level's on North). An officer entered the tavern and made contact with a subject, who identified himself as the manager, and asked him if he knew anything about the shooting. The manager stated that he did hear 2 gunshots, went outside, but did not observe anything. While the officer was interviewing the manager, the door of the woman's restroom opened and a male and female exited and was told to wait for detectives. The officer did observe blood inside the threshold of the door to the tavern which caused the officer to look around the establishment for more signs of blood. While doing this the manager became defensive and agitated, questioning the officer as to what he was doing. The manager told the officer who the owner of the business was and asked the officer to contact the owner because he was "just the manager". While waiting for detectives, the officer observed and heard the bar manager urinating in the sink behind the bar area. When detectives arrived, the bar manager became extremely uncooperative with them and kept repeating himself when asked questions. The agent was issued a citation.

Date: 06/25/18

7. On 03/20/18 at 10:30 pm, Milwaukee Police conducted follow-up regarding a shooting which occurred outside of 634 W. North Avenue (Level's on North) on 03/17/18. Employees of the tavern lied to officers about the events surrounding the incident and only told the truth when officers confronted them with the fact that police knew the shooting victim entered the establishment after being shot. One of the employees also said that he was the Manager of the tavern but when he was asked for his "Class B" manager's license, he changed his story and told officers that he just stocks and cleans the bar. While conducting these interviews, officers could smell fried food being made and found that there was an employee, in the kitchen, standing next to an oil fryer. There were four baskets of wings frying in the deep fryers and a five gallon bucket of chicken wings defrosting in the sink. The employee stated that they were selling food items and he was "in charge" of the food. Officers later check to see if the tavern had a food dealers license and found they did not. A citation was issued.

Charge: Food Dealer License Required
Finding: Guilty
Sentence: \$719.00 fine – **warrant issued for past due fine**

8. On 03/21/18 at 8:30 pm, Milwaukee Police performed follow up at 634 W. North Avenue (Level's on North) regarding earlier contacts with police at the tavern (Items #6 and #7). The agent stated that he wanted to work with police on any problems that may be the result of the establishment. He was informed that the employees were uncooperative with officers during a shooting investigation, the manager urinated in a sink, and employees were cooking and selling food. The agent informed officers that he was unaware of these problems and the person urinating in the sink was not the manager but just a "helper". He was informed that a meeting needs to take place per the request of the Captain of the Fifth District in order to work out any problems and about the citation's he will be issued for the earlier violation observed by officers.
9. On 07/22/18 at 12:40 am, Milwaukee Police conducted a tavern check at 634 W. North Avenue (Level's on North). In past contacts with police, occupants would lock the entrance to the establishment and open it after several knocks. When officers approached the tavern during this check, patrons attempted to shut the door on officers but they were able to gain entry before the door was fully closed. As police gained entry, multiple subjects blocked the entrance and officers observed multiple subjects flee into the back rooms of the location. Officers checked the two bartenders for Class D Operators license but neither one could verify their license status. The maximum occupancy of the establishment is 62, but officer's body cameras revealed that the tavern appeared to be above that occupancy. There was armed security inside the tavern and officers did have a conversation with the agent. No citations were issued.
10. On 08/14/18 at 10:29 pm, Milwaukee Police conducted a tavern check at 634 W. North Avenue (Level's on North). Officers were met outside by the agent and they proceeded to enter the rear of the business which is a kitchen area. Officers observed in the kitchen that the agent had four fryers on and a large bucket of chicken in the sink defrosting under water. The agent was informed that he is not allowed to serve food because he did not have a proper license and he stated that he was not selling the food, it was for a party. Officers informed him that making chicken for a party is still in violation and he could receive citations if he does it again. The agent understood and said he would stop making chicken. The agent informed officers that his license was up for renewal and he has a meeting with the alderperson regarding his license.

LICENSED PREMISE REPORT

On 6/9/23 at approximately 10:01PM, PO TERRELL and I conducted a License Premise Check at address

Milwaukee Police Department

749 W. State Street Milwaukee, WI 53233

414-933-4444

Case #:231610012

OtherEvent #: 23-LP-2421

634 W North Av, formally known as AVYBE, which had been a licensed premise in the city of Milwaukee.

Our check came after receiving an anonymous call regarding AVYBE being open and conducting business without any licenses.

Upon our arrival PO TERRELL and I observed the location to have a neon "open" sign on the front door. I observed the location with the main door open and music was heard playing from the inside of the business, before officers entered the main door. PO TERRELL and I spoke with a male subject who was sitting outside of the main door. He did not say he was working at the location, however PO TERRELL and I are familiar with him working security at the location in the past.

PO TERRELL and I entered the business. I observed two patrons sitting at the main bar, which is along the EASTERN wall of the building. I observed each person to have a glass with presumed liquor in front of them. I observed the individuals to be actively drinking from their perspective glasses.

PO TERRELL and I did observe one female subject behind the bar when we entered the location. As PO TERRELL and I approached the bar, a male and a female subject walked out of a back doorway into the bar area to speak with us. I asked them if they were working and or bartending. BOTH female subjects stated they are not bartenders at the location, and one stated she was not working at the location. When asked to provide identification, the two female subjects were uncooperative and stated the manager would speak with us. PO TERRELL then walked behind the bar and requested business receipts regarding liquor purchases.

The male subject who, I was told, was the manager at the location then stated they do not have any receipts at the location. Due to the music volume, he and I walked into a back room at the location to speak without interruption. Once in the rear room, the male subject handed me his cellular phone and stated the owner of the location was on the phone and would like to speak with me.

At that point, I took the phone from the male subject and identified myself. The female subject, who I was speaking with on the phone then identified herself to me, verbally, as **Soraída C CARTHRAN (b/f, 9/8/84)**. CARTHRAN stated she is the new owner of the location and bought the business in May of 2023. She was unable to provide me with an exact date of purchase. I asked CARTHRAN where the business licenses were, in order for me to conduct a check that they were current. CARTHRAN stated the licenses were not at the location but instead were with her at her residence. I informed her, the licenses should be at the business and posted for inspections, at all times. CARTHRAN stated she does not have any receipts for liquor due to her taking over the business and "inheriting" the liquor that was already there. She stated she has not purchased any liquor yet. CARTHRAN indicated she is the owner and agent of the business. She stated the business had been owned by P & C Investments Limited. She stated she now is the new owner and operates as AVYBE LLC.

Due to CARTHRAN stating the business is licensed and her licenses were with her, I asked her to come to the location with the licenses. I informed her I would check the licenses as well the best I can.

PO TERRELL and I then left the location with the intent of checking the licenses. The subjects who appeared to be working at the location were not identified at that time.

PO TERRELL and I were then preempted to a ShotSpotter alert prior to our checking for current licenses under the AVYBE LLC name.

At approximately 1:17AM, PO TERRELL and I managed to check for current licenses for the business. There were none in the system and no applications pending. PO TERRELL and I then arrived back at 634 W North Av. The location was dark and appeared closed. We did not observe any vehicles outside of the location.

***It should be noted that prior to 6/9/23, PO TERRELL and I observed AVYBE to be open during normal business hours (10:00PM to 2:15AM) over multiple weekends before and after May of 2023 up until we conducted our check. Since our licensed premise check on 6/9/23, they have not been open and operating. ***

LICENSED PREMISE REPORT

Colwell, Stephen 030887

07/12/2023

This report is written by PO Stephen COLWELL, assigned to District Five, Early Power Shift, Squad 5266

On Tuesday, July 11th, 2023, at 4:25 PM, I placed myself on a Business Check at 634 W North Ave (A Vybe Bar), located within the City and County of Milwaukee. I conducted this Business Check for the purpose of conducting a CPTED assessment that had been requested by the MPD Licensing Investigations Unit regarding the businesses Class B Tavern license application.

Upon my arrival, I spoke to the licensing agent, who identified herself as **Soraida C CARTHAN (B/F, 9/8/1984)**. Also on scene was the future manager of the bar/tavern, who identified himself as **Marcus A NUEL (B/M, 6/17/1985)**.

I completed the inspection of the location with the assistance of both CARTHAN and NUEL. While completing the security assessment, I identified areas in need of improvement. These improvements included additional cameras to include at least one camera that captures a detailed image of anyone entering or exiting the main entrance. Currently, there are no cameras directed towards the main entrance. I also suggested CARTHAN either improve or replace the entrance door which is a wooden door with existing damage and would be an easy point of entry for anyone attempting to force entry.

After completing the CPTED assessment with CARTHAN, I inquired about an incident that occurred on 6/9/23 at the location. On 6/9/23, PO Nora BURLO and PO James TERRELL in Squad 5468 were dispatched to the location after receiving a complaint that the business was open to the public and operating without a license. Squad 5468 was able to confirm the location was open and serving beverages to the public. Squad 5468 was preempted to a Priority One assignment prior to concluding their investigation. When Squad 5468 returned to complete their investigation that same night, the location was closed. (See IR: 231610012 for Licensed Premise Report regarding)

CARTHAN and NUEL stated they were operating under the belief that the previous owner of the business had requested a two-month extension of their Class B Tavern License and that they were able to operate under the previous owner's extended license.
