REMOVE YIELD SIGNS AND
INSTALL STOP SIGNS ON
WEST ELY PLACE AT NORTH LEON TERRACE

Dear Alderman Davis:

Our on-going crash identification and surveillance program indicated a need to investigate the above-captioned intersection for a control change. Our findings show that three crashes have been reported to the Milwaukee Police Department in 8 months. We, therefore, recommend the above-captioned traffic control change.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

REMOVE NO PEDESTRIAN CROSSING
WEST WELLS STREET AT NORTH 5TH STREET
WEST CROSSWALK

Dear Chairperson:

As part of our on-going effort to verify field traffic control sign installation with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the above-captioned traffic control restriction are not present in the field. We believe that the restriction is no longer needed and recommend that the ordinance be repealed. The change we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL STOP SIGNS ON
SOUTH 44TH STREET AT
WEST MANITOBA STREET

Dear Alderman Donovan:

This is in response to your request on behalf of Mr. Andrew Zinkl to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that the Milwaukee Police Department records show that three accidents were reported in 12 months. We, therefore, in the interest of public safety, recommend the installation of Stop signs on South 44th Street at West Manitoba Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
