..Analysis

This ordinance removes the term “transitional living facility” from the zoning code and replaces it with a new term, “transitional housing,” which is defined as a single-family, 2-family or multi-family dwelling not licensed by the state of Wisconsin in which 4 or more adult clients are temporarily provided with treatment and services above the level of room and board, but less than nursing care, as a condition of their stay. For purposes of this definition, “temporarily” means not more than 24 months. The services provided include supervision, counseling, transportation, or assistance with personal finances or medications by a person or agency that prepares residents for independent living.

This ordinance also establishes the following zoning classifications for transitional housing:

Prohibited use – C9H downtown zoning district; all industrial districts except IM; the parks district.

Limited use – all residential zoning districts (except transitional housing in multi-family dwellings is a prohibited use in single-family districts); all commercial districts; all downtown districts except C9H; the IM industrial district; the institutional district.

The limited use standards for transitional housing are:

1. Each dwelling unit shall be occupied by one person or family.
2. The operator shall provide 24-hour staffing, appoint a community liaison and provide the liaison’s name, address and telephone number to the department of neighborhood services and to the local common council member.

3. Residents shall not be under the supervision of the Wisconsin department of corrections or any organization under contract with a local, state, federal or private corrections agency.

4. If single-family, 2-family or multi-family dwellings are a limited use in the zoning district, the transitional housing shall meet the applicable limited use standards for those uses.

In addition, this ordinance requires an annual fire inspection of all transitional housing, regardless of the number of dwelling units.

The other provisions of this ordinance relate to “permanent supportive housing,” which is defined as “multi-family housing that is not transitional housing or housing licensed by the state of Wisconsin, and that provides on-site services, such as case management and peer support, that help tenants who are disabled or at risk of homelessness to live independently”. The ordinance establishes the following zoning classifications for permanent supportive housing:

Prohibited use - all single-family zoning districts; the C9H downtown zoning district; all industrial districts except IM; the parks and institutional zoning districts.

Limited use – all 2-family zoning districts.

Permitted use – all multi-family, residential and office and commercial zoning districts; all downtown zoning districts except C9H; the IM industrial zoning district.

The limited use standards for permanent supportive housing in 2-family districts are:

1. In an RT1 to RT3 district, the premises was legally established and occupied as a multi-family dwelling or permanent supportive housing as of October 1, 2002. If this standard is not met, permanent supportive housing is a prohibited use.

2. In the RT4 district, not more than 4 dwelling units shall be permitted in a single building. If this standard is not met, permanent supportive housing is a prohibited use.

The ordinance further establishes the off-street parking requirements, lot-area-per-dwelling-unit requirements (permanent supportive housing) and lot-area-per-client requirements (transitional housing) for these uses.

..Body

Whereas, A small portion of Milwaukee’s population has consistently been unable to obtain safe, decent housing because of periods of low or no income, mental illness, market conditions or a combination thereof, and thus is homeless or at risk of homelessness; and

Whereas, Permanent supportive housing is a proven national model for assisting homeless persons and persons at risk of homelessness to live independently in multi-family buildings with on-site case management and peer support; and

Whereas, Permanent supportive housing has been found to reduce the social costs of homelessness by decreasing the number of police calls and emergency-room visits; and

Whereas, To be affordable to very-low-income residents, permanent supportive housing requires a greater density of dwelling units and fewer parking spaces than residential buildings in general; and

Whereas, Transitional housing provides temporary, supervised residential treatment to adult clients in need of such treatment, including but not limited to individuals with mental health conditions or other disabilities who are homeless or at risk of homelessness, or are affected by other circumstances that indicate a need for such treatment; and

Whereas, Inspection of transitional housing is necessary to maintain safe, decent and sanitary living conditions for residents living therein; and

Whereas, The Common Council has determined that there is a need to enact legislation regarding the zoning and building inspection of these two separate but complementary types of residences, in order to promote their sound and expedient approval, development and operation in a manner that protects both the residents of these dwellings and the general public; and

Whereas, The Common Council finds that the regulations set forth in this ordinance promote and protect the public health, safety and general welfare of the city and are thereby consistent with the purpose of the City of Milwaukee Zoning Code; now, therefore

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 214-7-1-c-1 of the code is amended to read:

214-7. Fire Prevention.

1. RESPONSIBILITIES OF THE FIRE CHIEF.

c. Fire Inspections.

c-1. Pursuant to s. 101.14(2), Wis. Stats., the commissioner of neighborhood services, as building inspector of the city, is authorized to conduct the annual fire inspections of all non-residential properties required by that section. In addition, the commissioner is

authorized to conduct annual fire inspections of residential buildings with 3 or more dwelling units >>and transitional housing, regardless of the number of dwelling units<< .

Part 2. Section 295-201-448 of the code is created to read:

295-201. Definitions.

448. 664.5. For purposes of this definition, “temporarily” means not more than 24 months. The services provided include supervision, counseling, transportation, or assistance with personal finances or medications by a person or agency that prepares residents for independent living.

Part 4. Section 295-203-1-d to i of the code is renumbered 295-203-1-f to k.
