

December 12, 2008

To the Honorable, the Common Council

Dear Council Members:

Attached please find a permissary resolution that grants the University of Wisconsin-Milwaukee permission to install and maintain underground electrical conduit under two alleys subject to review and approval of the Commissioner of Public Works for the premises at 2419 East Kenwood Boulevard, which is the Zelazo Center.

The University of Wisconsin-Milwaukee is requesting permission to install an underground conduit crossing both the east-west and the north-south alleys in the block bounded by East Kenwood Boulevard, East Linwood Avenue, North Prospect Avenue, and North Stowell Avenue. The conduit is intended to carry power to lights in the parking lot located adjacent to the Zelazo Center.

We do not believe that the electrical conduit will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached permissary resolution which, if adopted, will grant permission for said conduit to occupy the public right-of-way subject to approval by the Commissioner of the Department of Public Works.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
