Re: Common Council File No. 061071: A substitute resolution approving Intergovernmental Cooperation Agreements with the Milwaukee Board of School Directors for Police Services.

Dear Mr. Langley:

The above-referenced substitute resolution, which was recommended for adoption by the Public Safety Committee at a special meeting on Thursday, February 1, 2007, and is currently awaiting full Common Council approval, has been referred to your office based upon a motion by Alderman McGee to amend the existing agreements to add language that would include community involvement and oversight.

In addition, the amendment directs that the School Board amend the agreements to include continued fostering of community initiatives that were already in process prior to the February 1st meeting.

Thank you for your prompt attention to this matter.

Sincerely,

Diana Morgan, Staff Assistant
Public Safety Committee
