RE: "Title Only" Grant
Resolutions

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolutions that the Health Department would like to be introduced:

2006 Consolidated Contract - This resolution authorizes the Health Department to apply for, accept and fund the 2006 Consolidated Contract from the Wisconsin Department of Health and Family Services. The purpose of the contract is to continue programming in six service areas during 2005 under the Consolidated Contract allocations.

Childhood Immunization Disparities - This resolution amends Common Council File 050739 which authorized the funding and expenditures for the grant. The file is being amended to change the positions authorized.

As always, thank you for your consideration of these "title only" resolutions. The files will be filled as soon as possible.

Sincerely,

Yvette M. Rowe
Business Operations Manager-Health
