To whom this may concern  
I Mrs. Willie A. Sanders the grandmother  
of Johnny R. Sanders who was murdered  
December seventeen two thousand two  
and his car was impounded for evidence.  
I tried to contact the (Det.) about the  
car being released from the pound.  
I tried many time to contact him  
(Det. Burns) and I also left messages  
at the desk for (Det. Burns) to let  
me know if the car could be picked  
up. Finally about two weeks later  
he brings me the released papers for  
the car after that happen the released  
papers was not put into the computer  
by the (Det.) So then my daughter  
Millissa takes it down town to  
the police department and got it put  
into the computer and then she goes  
out to the towing place to pick up the  
car they told her that she need the  
paper for storage waiver see so

4/29/02

the next Monday I took it upon myself to go down and get this done and at that time I was so relieved that this was finally over.

But when I got back home I told my daughter Melissa that I had finally got it done and ask her to call them to verify this she did and they told her that the car was sold March fourth.

I have been so depressed over matter and the out come of my grandson being murdered.

As you can see I started this letter on march the eight of two thousand because I had to stop and get the pricing of her car and other items that was left in the car.

I think it was so wrong for this to happen the selling of my grandson's Johnny's car with out notification.

Thank you

Mrs. Willie A. Sanders
