Union Representative with 9 years of experience in the commercial construction industry mediating issues & grievances, representing union members, building relationships with contractors & empowering community members through collective action.

EXPERIENCE

JUNE 2016-
JULY 2021

DEMOLITION & CONCRETE LABORER, JP CULLEN CONST, CD SMITH CONST.

Coordinated with project managers & superintendents to correctly assess the controlled demolition needed to safely & productively complete the project. Worked in collaboration with other trades to properly survey, prepare, layout & pour land to prepare for concrete foundations, pile caps, footings, frost walls, decks, columns & beams.

AUGUST 2021-
PRESENT

UNION REPRESENTATIVE, LABORERS LOCAL 113

Covering a 6-county jurisdiction in Southeast Wisconsin, we work to organize new members into the brotherhood as well as empower, educate & mobilize our current members. Considering the diversity within the ranks of Laborers Local 113, I was hired as the bilingual union representative covering the Milwaukee Area including downtown.
