Mayor Johnson.

I live outside of Milwaukee, but I am sending you an email today to show my support for the proposed FPC Live venues in Deer District, next to Fiserv Forum. I realize Milwaukee is the economic engine for the state of Wisconsin and in order for Milwaukee to grow and prosper for decades to come, we must welcome new developments and businesses rather than be left behind while other Midwest cities build similar venues with modern amenities for both artists and fans alike. This development will put our members and the citizens of Milwaukee to work. I encourage you to vote in support of these venues.

Thanks,

Dean A. Warsh
