Subject: Streetcar Vote Wednesday

Dear Mayor and Aldermen,

As the owner/operator of Milwaukee's historic Eagles Club/Rave Ballroom I encourage you to vote in favor of the streetcar proposal that will be before you on Wednesday. At our location on the near west side we cater to a diverse population of young professionals and urbanites who want to live in cities that provide them with transportation options. Anything we can do to continue to attract this type of energetic, diverse population has our support. While the initial streetcar line will not serve our venue, our hope is that future expansion will run a line down West Wisconsin Avenue and another down 27th Street so that our future customers from all over the city will be able to quickly, easily and safely have a "designated driver" take them from their door to ours. Please vote "yes" on the streetcar to keep Milwaukee's momentum rolling."
