Grant F. Langley  
Attorney, City of Milwaukee

Dear Mr. Langley:

**Reference: Claim Number CI File No. 1V95**

I am in receipt of a letter indicating that a claim I submitted in February 2001 has been denied. I am requesting that a copy of the investigation findings be forwarded to me effective immediately.

The damages caused to my vehicle, in the amount of \$2440.95, were rather extensive. I believe they were caused by a City of Milwaukee snow plow, as indicated by the eye witness. Please note that Ms. Pacheco had no personal gain or any vested interest in reporting the events to me.

I request that you forward the procedures for filing an appeal on the decision made. I am also requesting a copy of the report filed by the investigator alleging that said damages were inconsistent with those that would be caused by a snow plow.

Your prompt attention to this matter is appreciated. I may be reached at 449-1652 for any questions.

Sincerely,

---

Sergio Rentas

RONALD D. LEONHARDT  
CITY CLERK

February 16, 2001

To City of Milwaukee Clerk:

Reference: Investigative 12/28/00 931 E. Russell Ave

The following statement is a claim on a collision caused by a City of Milwaukee snow plow vehicle on December 29, 2000 against my privately owned vehicle.

At approximately 10:00 A.M. Mrs. Evelyn Pacheco, a resident of 931 E. Russell Ave, notified me that she witnessed a city snow plow strike my vehicle which was parked across her apartment building on the west side of the street. This occurred at approximately 6:00 A.M. Mrs. Pacheco did not think any damage was done to my car, although the car alarm was activated and sounded. She further stated that as soon as the alarm went off she looked out of her window and saw a city snow plow back up from my car and then pull away.

I immediately went to inspect my car for damages and in fact it had front end damage to it. Due to the extensive damage to my car I notified the Milwaukee Police Department. A report was filed regarding the accident. I also notified my insurance company and my vehicle was sent to Midtown Auto Body, in Milwaukee (414-562-8411), to be repaired.

The repairs to my car were significant, costing approximately \$2440.95. Additional costs were incurred for a vehicle rental, which was covered by my insurance provider. Enclosed you will find supporting documentation itemizing the cost of the repairs, provided to me by insurance: Prudential Property and Casualty Insurance Co., P.O. Box 9314, Minneapolis, MN 55440-9340, Claim #11V002366A-AD.

Due to the negligence of the City of Milwaukee snow plow operator, and the inconvenience suffered by me, I am seeking full reimbursement for the cost of repairs. If you have any questions, you may contact me at the above noted number.

Sincerely,

OF MILWAUKEE
