Attn: Claims

To Whom It May Concern:

As you are aware, the city of Milwaukee experienced harsh weather during the winter seasons for 2008 and 2009. As a result, major streets throughout the city were in poor, unsafe condition. The poor, unsafe street condition caused major damage to the suspension and transmission systems of my vehicle.

I hereby request reimbursement totaling \$7,373.73 for personal funds and/or credit card charges spent on major vehicle repairs. I have enclosed repair receipts and estimates for your review. A complete breakdown of the above of the above request is as follows:

Amount paid for suspension conversion kit	\$1,544.67
Amount paid for power steering pump	\$186.23
Estimated amount for transmission/transaxle	\$5,645.83

Your prompt attention to this matter is greatly appreciated. Should you have any further questions, please contact me at the telephone number listed above.

Sincerely,

Tyrone D. Diggs

Enclosure
