We would request that the above 16 detailed resolutions be introduced at

your regular meeting of Friday, December 20, 2002. We also request that the files be scheduled on the next available regular agenda of the appropriate Common Council Committee(s). In the event that your honorable body should adopt any or all of the first 15 bond based resolutions, public notice (publication) under the provisions of Chapter 67 of the Wisconsin Stats. relating to "permissive referendums" will be required for those fifteen bonds but not the sixteenth promissory note based resolution. This statutory language requires "... the governing body shall, within 15 days after the initial resolution is recorded, publish a notice stating the purpose and maximum principal amount of the bond issue and describing the opportunity and procedure for submitting a petition requesting a referendum on the bond issue." (67.05[1] Wisconsin Stats.). These required publications should include language, as previously authored and provided by the City Attorney relative to the details of specific procedure that the citizenry would utilize for a challenging petition of the adopted borrowing authorization. We will be in contact with Ms. Debra Fowler of the City Clerk's Office relating to the varying number of certified "Affidavits of Publication" required for each of the published bond initial resolutions.

Your introduction of these initial borrowing resolutions is appreciated and if we may be of any additional assistance, please contact Richard Li (X-2319) of my staff.

Very truly yours,

W. MARTIN MORICS
