Notification of Insurance Claim against City

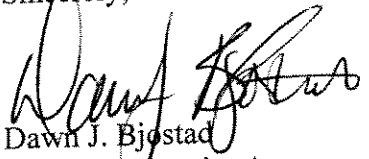

We hereby put the City of Milwaukee on notice of our intent to subrogate for the damages caused to our insured vehicle due to an accident which occurred at the intersection of W. Green Tree Rd and N Port Washington Road. We have determined in our investigation that the traffic light was malfunctioning, and that no corrective measures had been taken. A collision resulted from this malfunction causing injuries and damages to the parties involved.

Since our insured is not at fault, you will need to reimburse us for damages paid on this claim. If you have insurance, please send this letter to your insurance company and ask them to contact me right away.

If you are uninsured, please contact me to discuss repayment.

Thank you.

Sincerely,
