Subject: BID #4 Mitchell re Children's Wisconsin

President Perez,

This is to advise that my BID #4 Board of Directors, at its meeting today, voted unanimously to support the rezoning and parking lot expansion for Children's Wisconsin Forest Home Avenue Clinic, at 1722 and 1726 South 15th Street, which will create 25 additional parking spaces for the Clinic.

The Board members did add that they would welcome the participation of ICAP and Children's Wisconsin in the BID #4 district.

Thank you.

Nancy
