

This is a petition to oppose the development of 121st Street south of Bobolink Ave. The development of this street would mean up to 6 new houses being built in our neighborhood. By signing this petition you state you are against this development and would like the land to stay just the way it is!

Subject: Proposed Extension on Bobolink Ave.

Jim:

As we are unable to attend the meeting tomorrow, June 6th, we are sending this email.

We have signed a petition started by our neighbor opposing the extension of 121st St. just south of Bobolink Ave. We would prefer the property be left as is.

Thank you for your attention.

Sincerely,

**Leslie & Germaine Krause
12104 W. Bobolink Ave.**

Subject: oposition to culdesac on Boblink Ave

Dear Alderman Bohl,

Thank you for your time that you have spent in regards to the building of homes and making a culdesac on 121ST & Boblink Ave. Unfortunately my husband and I were not able to make the meetings in regards to it.

We have lived in the area for the last 12 years raising our two daughters. Being tax payers we need to stand up and fight this. We are very concerned about how this will affect our property taxes & the traffic. We moved here because while it is Milwaukee County it is more of a quiet retreat. Many nights I have anywhere from 4-11 deer in my back yard as well as turkey's. Quite unusual for the city indeed. Where I ask are these animals suppose to go if we continue to take away the land that is their homes?

Your help in regards to stopping this is very much appreciated.

Sincerely,

Cheri & Joe Fenninger

June 3, 2006

This letter is addressed to Alderman Bohl concerning the proposed development in the neighborhood that we moved into this week.

We strongly oppose the development. We moved here because of the clean and quiet quality this area has to offer. We do not need to have more roads and houses here. This will only raise our taxes to pay for the road, making it impossible for us to remain here. The type of housing or business built could make this area undesirable to live in. It no doubt ^{will} increase the crime rate and bring down the value of existing homes.
