Office of the Mayor

Dear Members of the Common Council and Mr. Mayor,

I am writing to support adoption of Milwaukee's Climate and Equity Plan as part of the city's Comprehensive Plan.

As a resident of Milwaukee, I hope this plan will pass. I am deeply concerned by climate change, our dependence on fossil fuels and the increasing environmental pollution. I see this plan as a first step towards building a more sustainable and , very importantly, more equitable city. I have moved to Milwaukee four years ago and grew to love this place. But there is room for improvement and this plan goes in that direction. Let's not miss that opportunity!

Thank you ,
