Good morning,

I wanted to add this email chain to any licensing files related to the Wong's Wok operating at 7424 W. Appleton Ave. in Ald. Johnson's district. To summarize the email chain below, they have had problems with litter/debris and a defective fence, that have been reported by residents on numerous occasions. They also have been operating without an occupancy permit. I hope this can be considered when they come for renewal.

Good morning,

Special Enforcement Inspector Jason Rusnak has inspected the property. The Special use approval obtained by the restaurant from the Board of Zoning Appeals expired in 2015 along with the occupancy permit. With that expiration, so too expired the ability to enforce the conditions of approval and approved site plan.

Jason will issue a 30 day order to discontinue any use until a new occupancy permit has been obtained and to obtain Board approval for the drive thru restaurant.

If the restaurant is diligently pursuing the needed permit and approvals, we will consider an extension request for the order.

My reading of the code indicates only through a BOZA approval can screening be ordered in along the alleyline.

I may be mistaken and have reached out to additional experts. If there is a code path to order the screening installed separate from the Special use approval we will do so.

A follow up email will be sent once the order is issued and the owner/operators contacted.

Note, I believe if they choose to be a restaurant without a drive thru, it would not need Board approval.

Peter Laritson

Good morning Todd,

Thank you for the phone call this morning.

A case has been created for Special Enforcement Inspector Jason Rusnak to investigate the concern regarding the rear screening. I have begun the research involved and have emails into the BOZA office and to DCD Planner Ed Richardson. As Jason referenced below, the first email Special Enforcement received was yesterday at 2:24. An update will be provided when the research is completed and an inspection made. That should be early next week.

I am happy to speak to any concerned constituent- they can call me anytime.

Good Morning Todd,

Mike actually referred this to Special Enforcement/Zoning yesterday afternoon as the property had a BOZA because they are a restaurant with a drive through. That BOZA decision regulates landscaping. Additionally after a closer look it appears they are also operating with an expired occupancy and BOZA (attached). Both items would be a zoning issue and handled by Special Enforcement at this time.

Good morning Todd,

Plan Examiner Nick Curich will be revisiting the fence permit application (FEN-20-00878) tomorrow morning to finalize the permit, or to direct them to modifications or BOZA if the proposed plan is not compliant with the zoning code. Specifically, the plan will be reviewed for compliance with the landscaping/screening provisions of sections 295-405-3 & 295-405-6-a MCO as required by s.295-405-1-b-3 for the scope of work approved under site renovation permit COM-ALT-20-00686. The fence permit application is for the trash enclosure & for perimeter fencing associated with the parking lot renovation.

Based solely on a cursory review of the site plan that is now located in the fence record, they may need to verify that the dumpster fence will be 5' from the edge of the alley, and the area between that fence and the alley line will need to have either one evergreen tree or two tall shrubs planted to screen the fence (Option B on attached). If there are challenges with grades or other natural features in that area we may be able to waive the plantings requirement and approve as is, based on s.295-405-1-b-6 MCO (<https://tinyurl.com/dz67cfh4>).

I defer to others as to when the owner/operator plans to address the situation at the site.

Sincerely,

Jeff Zagar

Hi Todd,

Inspector Graves has open orders to set the temporary fence in a good state of repair (upright and out of the alley) and has scheduled the re-inspection for 09/17/2021. Since the last I had heard, construction work on the permit COM-ALT-20-00686 has stalled. DNS is working to coordinate with the contacts to find out how much longer the work has been delayed.

Good morning,

I received a complaint about trash/litter at the business and a fence being down. Could an inspector please examine the business and let me know of the outcome?

Thanks,

Todd Miller

Hi Todd,

There is no open order regarding fence repairs. There is, however, an open order in Commercial's monthly program, ORD-19-06065, to repair the parking lot area. A permit, COM-ALT-20-00686, has been pulled for some of the needed repairs along the alley.

On 05/19/2021 I was contacted by the property owner to review the order because the permitted work had been stalled. Per the Com-alt permit, a temporary chain link fence has been put along the alley. During my conversation, I was informed there was a question regarding screening and the architect was awaiting for clarification from the plan examiner for those requirements. I encouraged the owner to

have his architect obtain clarification as soon as possible because DNS was still awaiting compliance with the open order.

(Per the fence permit submitted, fen-20-00878, and my conversation with the owner, the dumpster corral will also be relocated and screened with a wooden fence 6 feet tall -- when the surfacing of the lot takes place planned later this summer. There will also be an ornamental fence 3 feet in height along the street line.)

Since the ORD is in our monthly program, Inspector Graves will stop by for the re-inspection, but will also check out the temporary fence. We'll make a referral to the construction inspector if it's in poor condition.

Good morning,

Is there any outstanding orders for a fence repair at this address?

Thanks,

Todd Miller

Your Food Dealer License Renewal Application Removing/Adding Stockholders and Transfer of Stock

Monday, June 06, 2022 at 09:30 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place virtually on 06/06/2022 at 09:30 AM. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony will be asked to do so by phone or internet and are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
