Dear Alderman Bauman, We're hopeful the Licensing Committee will be satisfied with the items we have addressed since our October meeting. For the file and in preparation for the Tuesday, November 11, 2025 meeting please find the attached photos.

We added striping to our parking area behind 933 and 939 N. 24th Street

Behind 933 N. 24th Street, we finished filling the dumpster and hauled away

We have ensured the sign in front of fencing behind 943 N. 24th Street is clearly visible

We cleaned up the woods and bramble area behind 947 N. 24th Street
