#### **Program Goals**

This grant will support the ALERT initiative by allowing the Milwaukee Police Department to purchase a portable wall / ground penetrating radar unit.

#### **Programmatic Summary**

WEM (Wisconsin Emergency Management) will provide grant funds for the Milwaukee Police Department (MPD) to purchase a portable wall / ground penetrating radar unit. This equipment will allow the Tactical Enforcement Unit (TEU) and other MPD personnel to detect stationary and moving objects through different materials. The equipment will provide critical information during a variety of tactical situations as well as search and rescue operations. The information will assist with plan development and rapid decision-making, allowing for a higher degree of safety for police and all other subjects involved.
