Wisconsin Department of Corrections

Division of Community Corrections | Region 3 Office

Date: Monday April 4, 2022
To: Milwaukee Common Council/Licensing Division
From: Wisconsin Department of Corrections, Division of Community Corrections

It was brought to my attention that a client under our supervision, Nina Kilcoyne, has applied for a Bartending license from the City of Milwaukee. Client Kilcoyne is currently on an Interstate Compact term that is scheduled to discharge on 10/11/2023 for the offense of OWI 2nd.

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

A - Residence Stability: Client has maintained residence stability **Yes**.

B - Reporting History: Client has maintained required contacts with agent **Yes**.

C - Police Contact: Client has had police contact while on supervision **No**.

D - Overall level of cooperation: has client complied with referrals and services designed to address criminogenic needs **Yes**.

****** DCC recommends license not be granted due the following: (check one)**

- * License/employment has a direct nexus to committing offense. _
- * License/employment would have a negative impact on the client based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs)
- * Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

LaJerrica Foster

Date: 03/30/22
To: Milwaukee Common Council/Licensing Division
From: WI Dept of Corrections, Div. of Community Corrections

It was brought to my attention that a client under our supervision, Conner Vogt, has applied for a Bartender license from the City of Milwaukee. Client Connor Vogt is currently on an Probation term that is scheduled to discharge on 08/25/2023 for the offense of Possession of THC, Disorderly Conduct, Possess Drug Paraphernalia.

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

- A - **Residence Stability:** Client has maintained residence stability **Yes**.
- B - **Reporting History:** Client has maintained required contacts with agent **Yes**.
- C - **Police Contact:** Client has had police contact while on supervision **No**.
- D - **Overall level of cooperation:** has client complied with referrals and services designed to address criminogenic needs **Yes**.

**** DCC recommends license not be granted due the following: (check one)

- * License/employment has a direct nexus to committing offense.
- * License/employment would have a negative impact on the client based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs)
- * Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

Silvia Xopin
