● **Comments:** This is regarding the investigation that was supposedly held by the Department of Neighborhood Services. The Department of Neighborhood Services claimed that code violations were not corrected and a notification was given. This was not the case. The corrections were made and no notification was given. I have written several appeals regarding this matter. I have also spoken with Alderperson Pratt regarding this matter. I have received no assistance with getting this matter corrected. Thus, I refuse to pay any penalties and late fees assessed to my tax bill until these corrections are made. I would like to address this appeal to the common council or committee regarding this unfair and unjust practice.

IMPORTANT NOTICE: The filing of this appeal does not affect the deadline date(s) on your tax bill.

Chairperson:

Pursuant to Chapter 68 of the Wisconsin Statutes, and Section 320-11 of the Code of Ordinances of the City of Milwaukee, this is a written petition for appeal and hearing.

I am appealing the decision of Candice L. Maynard, Residential Inspection Supervisor
(Name of department or bureau)

Relative to The City of Milwaukee

I feel the City's action was improper for the following reasons:

I am being Charged For inspection fees and no one inspected my home. The inspector
claims that there were three interior violations that remained yet he could
not gain entrance to the inside. The city claims that they sent me three
letters explaining the reinspection fees but I only received one. It is
when i did receive the letter that I called the city and explained to them that
I only received one. i am being chared for inspection fees when no inspection
took place.

Sincerely,

Carl Christopher
