License Premise Report

Letteer, David J 016078

10/31/2021

This license premise report is written by PO David LETTEER, assigned to District 5 Late Power Shift, Tavern Squad 5468.

On 10-11-21 at 1:02 a.m., Sq. 5446 (PO MARITATO and PO TERRELL), responded to a Shotspotter, located at 1426 W. Atkinson Ave., in which one round was detected in the street. This address is next door to Stewarts Bar, which is located at 1422 W. Atkinson Ave.

Upon arrival of Sq. 5446, there were several people, which appeared to be from the bar, fighting in the street. The squad called for more squads to help with the situation. Upon arrival of other squads, there were many people outside, trying to see what the police were doing.

The bar uses a city owned lot, just to the east of the bar, adjacent to the bar, that patrons park in. There was a vehicle parked in this area, in which the rear door window was open and a black firearm was lying on the back seat. Near the passenger rear tire was an abandoned copper in color, smaller caliber semi automatic handgun.

Officers attempted to locate any spent casing(s) for the Shotspotter, but could not locate any casing(s).

The owner of the vehicle in which the firearms were located arrived and became upset that we were looking at his vehicle. Officers contained the vehicle, until the Shotspotter complaint could be completed. The owner of the vehicle stated he was at the bar, when he and his girlfriend who was drunk, attempted to get into the bar, but could not. He stated he left the bar and they became involved in argument and the police arrived.

I arrived and spoke to the bartender, Gloria RAGSDALE, who was standing outside. She stated the female involved in this was attempting to get into the bar with a bottle of alcohol and she was denied at the door. She stated what happened out here is a result of not getting into the bar. I informed RAGSDALE that the patrons can not park in the city owned lot and she stated that patrons vehicles are getting broken into on the street, so they park in the lot to keep from getting broken into. I informed RAGSDALE that they can not park there and at times while responding to other calls, I have observed vehicles parked in the lot drive onto the sidewalk in order to get to W. Atkinson Ave. and not back out into the alley behind the bar.

I have inquired with District 5 CPU Unit about putting up barriers on the city owned lot, so that people can not park their vehicles there and go into the bar.
