To the Public Works Committee

Subject: Common Council Resolution File Number 050817

Dear Honorable Members:

Returned herewith is Common Council Resolution File 050817, being a petition from James Aryeetey for a special privilege to construct and maintain steps in the public right-of-way for the premises at 116 West Lloyd Street.

The applicant is requesting permission for steps to a front porch to a house he is in the process of moving onto an existing foundation, which has been modified slightly to accommodate the new house. Said steps are to project 4 feet 7 inches into the north, 20-foot wide sidewalk area of West Lloyd Street for approximately 4 feet of length. These steps are to be centered approximately 126 feet west of the westline of North 1st Street.

We are not aware that the presence of the aforementioned steps will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said steps to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes, P.E.
Commissioner of Public Works

Martin G. Collins
Commissioner
Department of Neighborhood Services
