To whom it may concern,

I am the homeowner at property 3118 N. 54th street, zip code 53216. I made a complaint on July 23, 2014, of damage done to my property, due to the city sanitation trucks that comes weekly to empty the garbage. By my garage I have a concrete slab that is all damaged and the concrete is broken up, and have a huge hole in the ground, due to the trucks driving over it constantly. My house is at the end of the alley, so when the garbage trucks turn that corner, that when the damage is being made. Enclosed of this letter is pictures of the damages and a few estimates from different companies. If you have any question, please contact me at 414-331-5886. Thank you.

I was told to add in my claim the vehicle number as my address:
