Subject: 5TH ALD. DIST. – FILE #021387  
INSTALL STOP SIGNS ON  
WEST CUSTER AVENUE AT  
NORTH 81ST STREET/WEST MURIEL PLACE

Dear Alderman Bohl:

This is in response to your request to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the northeast corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on West Custer Avenue at North 81st Street/West Muriel Place.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

REMOVE ONE-WAY ON NORTH 7TH LANE  
FROM WEST HADLEY STREET TO  
WEST CHAMBERS STREET

Dear Alderwoman Johnson-Odom:

As part of our on-going effort to verify field traffic control sign installation with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the above-captioned traffic control restriction are not present in the field. We believe that the restriction is no longer needed and recommend that the ordinance be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
