Re: Substitute Resolution Pertaining to the Milwaukee Police Historical Society

Dear Committee Members, Inspector Sucik, and Assistant Chief Whiten:

During the meeting of the Public Improvements Committee on Wednesday, December 8, 2004, the above-referenced resolution was adopted, with a revision pertaining to consultation with the Department of Public Works in the event that structural or utility repairs were needed in order to accommodate matters within the scope of this resolution. Please find attached a “Substitute 1” version incorporating this amendment, which appears at Item No. 3 of the third grouping of matters under the “Analysis” section (top of page 2) and as the fifth “Further Resolved” clause of the resolution itself (bottom of page 4). The remainder of this resolution is unchanged.

Assistant Chief Joseph Whiten

I trust that this revision will address both the concerns raised by the Department of Public Works, and the spirit and intent of the resolution (as amended), which was adopted by the Committee at its December 8, 2004 meeting. If there are any further questions, please contact me for further guidance. Thank you all for your assistance.

Very truly yours,

STUART S. MUKAMAL
Assistant City Attorney
