To whom it may concern I was sitting at my kitchen table around 2:55 pm I heard a loud noise and I heard somebody say Milwaukee Police here to execute a warrant! So my PCW open the door and they destroyed it any way oh the warrant was for the address 4730 N. 35th Street wow I thought they had the wrong address but being rude to me and shuffle me out and put me in a police car never explaining why they were here. This went on for a couple of hours around 5 o'clock I was told about my nephew Jamein Huff who doesn't stay with me just a visitor so why would they destroyed my house like they did. And this all happen on July 19 2023 again at 2:55 pm so I file a complaint with the police depart because me being elderly the way they torn my door off and laid it outdoors as me being elderly cant lock my door or cant put it up by myself that wasn't fair to me

especially to my stuff so I wish
somebody reach out and help
me replace my stuff and my
place doesn't seem the same
I felt violated for keep
