INSTALL STOP SIGNS ON SOUTH HERMAN STREET
AT EAST EUCLID AVENUE

REMOVE YIELD SIGNS ON SOUTH HERMAN STREET
AT EAST EUCLID AVENUE

Dear Alderdwoman Dimitrijevic:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest corner of the intersection in the form of a various vegetation that would warrant the above-captioned change in the traffic control at the intersection. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer

INSTALL ALL-WAY STOP ON EAST FERNWOOD AVENUE,
SOUTH ILLINOS AVENUE AND EAST RHODE ISLAND AVENUE

Dear Alderdwoman Dimitrijevic:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection the above-captioned traffic control is warranted. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer

SUBJECT: 13TH ALD. DIST. - FILE #201268
INSTALL STOP SIGN ON SOUTH AVALON STREET
AT WEST GRANADA STREET

Dear Alderman Spiker:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection and a sight obstruction in the form of a fence on the northwest corner of the intersection the above-captioned traffic control is warranted. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer
