Honorable Members
Common Council
Room 205, City Hall

Dear Council Members:

Attached is a resolution to approve a Fourth Amendment to the City's Access Management Contract with Milwaukee Access Telecommunication Authority, Inc. (MATA). This amendment updates the contract to reflect the adoption of statewide video services provider franchising legislation and the elimination of local agreements. The state legislation requires video service providers to continue to carry the existing public, educational and governmental channels in the municipalities they intend to serve and provide financial support for those channels for the next three years.

To assist in your review, I am also enclosing a draft version showing exactly where all the changes are being made.

I will be happy to answer any questions that you may have.

Sincerely,

Ronald D. Leonhardt
City Clerk
